Project Title: Works of Michelangelo Website

[Wikipedia: Michelangelo](#)

A multiple-page website with a navigation bar across the top, linking to all main sections below. Archive of the famous works of Michelangelo—therefore, every page features multiple images of the works of the artist.

- **Home Page/Introduction:**
 - Brief description of Michelangelo and the contents discussed in this website
- **Madonna and Child**
- **Male figure**
- **Sistine Chapel**
- **Architecture**
- **Sources:** list of sources of information and images
